Re The post of a Draftsman for the Drianage Division

I have the honour to state that ever since the Drainage Division was brought into being the office has been working without the aid of draftsman and estimates prepared by Executive Subordinates have not t fore been subjected to anv check in the office The scrutiny of estima specially in respect of rates is a very important one and has to be arranged to be done by an independent agency in the office under my sup vision As matters stand at present, this work has been allowed to go by default as there is no sanctioned post of Draftsman for my office I therefore request you kindly to address Government for the creation of the post of a Draftsman in grade 55-5-80 for the Drainage Division The cost on this account will be met out of the grant of Rs.64,000/- provided under 30 grants for Public Improvements, 1 Bangalore City Improvement and distributed prorata to the several works as in the case of the existing staff at the end of the financial year.
